The CHISAGO LAKES AREA COMMUNITY FOUNDATION was established in 2008 to build a permanently endowed fund to benefit our community. Initial funds have been established by local donors, and are continuing to grow. These funds generate income that helps fill charitable needs and enhances the quality of life in our area.

**What is an "Art Dash"?**

- All of the art items have been donated, and are valued from \$50 to \$500+ each. The art includes watercolors, sculpture, weavings, pottery, photography, jewelry and other handmade items.
- Beginning promptly at 5 PM, guests will have an opportunity to meet some of our most talented local and regional artists. During the art preview you can select your favorites, and imagine how wonderful those items would look in your home, or who you know that would love it as a gift!
- After dinner the "Art Dash" will begin. The names of each ticketholder will be drawn in random order. When your name is drawn, you will **dash** to the art item that you choose. If that item is still available, you can select that item to take home. If someone else has already selected that item, you can **dash** to another item that appeals to you.
- Every entrant will take home a piece of art!

This event is a win – win for you and for our community. You get a fun evening out, meet local artists, visit with friends and leave with a new conversation piece for your home. The proceeds are invested in the Community Fund, and then *reinvested* in our community through annual grants for worthy civic causes.
