

Submitted by - Chisago Lakes Area Chamber of Commerce

Little Green, Green, Chisago, Sunrise, North and South Lindstrom, North and South Center

REPORT

Crappies are biting on Chisago Lake from 4:30pm on in 24'-26' of water.

South Lindstrom Lake is getting Crappies and Walleyes out in front of the hospital. Crappies are biting in 22'-24' and Walleye in 16'-18' along the weed line.

North Center is finding Crappies biting on Crappie minnows, Waxies and Euro Larva by Nelson Island.

Be sure to stop by Frankie's Marine & Live Bait to find out where the bad ice is.

Contact Frankie's Marine & Live Bait for area fishing information.
