Little Green, Green, Chisago, Sunrise, North and South Lindstrom, North and South Center

**REPORT**

Fishing is phenomenal now.

The best Bass fishing is on Chisago and So Lindstrom.

Fish the deeper weed lines and rocks, hard bottom. Catch and Release only over 12".

Use Carolina Rigging, or down deep crank bait. They are schooled up on the rocks and deep water.

Sunrise Lake good Bass fishing and some pike. Enjoy pike with sucker minnows and bobber.

Pan fish are biting. Crappies in deep water 16'-25', fish suspended 6-10'

South Lindstrom has been good.

Walleyes are on the edge of weed line at transition between hard and soft bottom 10-16'.

Troll the weed lines with Shad Raps.
