About the "Baby Blanket"

The Baby Blanket is grateful for the opportunity to join with the Rotary Club supporting mothers in need in the Chisago Lakes area.

For nearly 13 years, the Baby Blanket has supplied maternity and infant clothing, furnishings, training, and referrals to mothers and their babies. Everything is free and usually provided by donation of used items. However, for safety reasons, only new car seats and cribs are distributed. This partnership with the Rotary Club will directly support these essential purchases and will make a real difference to our struggling young families.

The Baby Blanket also provides regular homemaking programs with instruction in sewing, cooking, childcare, health care, home crafts, personal finance, and more. Materials, babysitting, and lunch are provided, all free.

For additional information about the Baby Blanket and its programs, call 651-245-2028.

About the Chisago Lakes Rotary Club

For thirteen years, the Chisago Lakes Rotary Club has been successfully serving the Chisago Lakes Area through community service projects and fundraising for various community and Rotary International activities. To date, Chisago Lakes Rotary has raised over \$140,000 to provide financial assistance for over 35 community and service activities, collecting furniture for Bridging, adopt a cabin at Camp Ojeketa, donating books to our schools and Rotary benches for the community, Safety Camp, domestic abuse education, special school programs, St. Croix Valley Orchestra, County Trails, and a scholarship program for graduates of Chisago Lakes School.

Funds raised by the Chisago Lakes Club also benefit Rotary International worldwide programs, such as improving world educations by increasing literacy, combating hunger and participation in the worldwide eradication of polio. Presently there are over 31,000 Rotary clubs in over 176 countries or geographical regions worldwide totaling over 1,200,000 members – all dedicated to our Motto –

"Service Above Self."
