## How Participating in the Rotary Golf Event will benefit the Community

Since 1998, the Chisago Lakes Area Rotary Club has devoted fundraising energy to passionately supporting the needs of our local community and global neighbors.

We have served the Chisago Lakes area by supporting and raising nearly \$350,000 in financial assistance for more than forty community and service projects.

Our local service projects include adopting and maintaining a cabin at Ojiketa Regional Park, donating books to our schools, furnishing Rotary benches throughout the community, supporting Rotary Park, collecting furniture for Bridging, supporting the Swedish Immigrant Regional Trail, providing emergency equipment for local law enforcement vehicles, contributing to the local food shelf, and sponsoring international youth exchange programs.

Our Club promotes safety camps for youth, supports domestic abuse education, special school programs, and an annual Scholarship Program for graduates of Chisago Lakes High School. Our fundraising has provided new car seats and cribs to St. Bridget's Baby Blanket Program.

The **Chisago Lakes Rotary Club** is a volunteer service organization that is part of Rotary International.

Rotary International is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

The Rotary 4 way test of the things we think, say, or do:

- Is it the truth?
- Is it fair to all concerned?
- Will it build goodwill & better relationships?
- Will it be beneficial to all concerned?

Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to take action on sustainable projects. From literacy and peace to water and health, we are always working to better our world, and we stay committed to the end.
