Chamber Board:

Marlys Dunne

Happy New Year Chisago Lakes! What a great turn out we had at our recent holiday gala. Special thanks to all those that attended and supported the event and made it a great turn out. If you missed the event, know that we welcomed new board members Dave Ertl and Liza Francois, as well as said farewell and thank you to Cory Lindgren and Matt Silver for all their years to serve as board members.

As we look ahead at our 2018 forecast and calendars, we have a full docket of events and opportunities to promote and support our Chisago Lakes community and local businesses. Coming soon is one of the chamber's most prized event of the year, the Winter Blast (*aka Celebration of the Lakes*). The winter celebration has been 'reinvented' to spread the activities around the community and be more prepared for snow and ice conditions that in the past 2 years, have prevented many of the special events we all look forward to. Mark your calendars to get out and participate in the numerous winter activities taking place from January 25-28th. We ask for your help and support in getting the word out to family and friends to take advantage of the fun activities planned for our Winter Blast. Don't let Old Man Winter keep you inside...get out and have some winter fun!!

THANK YOU FROM MATT SILVER

As we enter a new year at the Chamber, there are big changes coming. Okay - so I have a flair for the dramatic...

I (along with Cory Lindgren) am stepping down from the board. I was talking with my wife about it, and she asked how long I have been on the board of directors. I had no answer. I think that it has been 13 or 14 years now. I have seen four executive directors and countless assistants. I can remember when we met in the front office of the Press, which was a pretty tight fit.

Over the years, I have seen it all - good and bad. Mostly good though. I have seen community events take shape and begin out of thin air (the triathlon for one) and I have seen some change, such as our Celebration of the Lakes. We just couldn't get breaks with the weather - ever. This event has developed into an event that celebrates Chisago Lakes and our unpredictable winters, with less ice and snow dependent activities.

When I started, in my mind I envisioned being on the board for a few years, but this board, this chamber and this area is so dear to my heart, that it made it impossible to not be a part of it. Each and every director I have served with has been awesome. Every one of them brought something different and exciting to the table. I will always hold them in the highest regard for what they did and continue to do for our community. Darlene, Brenda, Tangi and Wendy - thank you all for your support and being such dear friends. Because of you, the Chamber is in a far better place then when I began.

The Chamber is a wonderful organization. Over the years, easily the most asked question to me regarding the Chamber is "What does the chamber do for me?" For the first few years, that question would paralyze me with fear. I didn't have an answer.

But the more I got involved, the more meetings I went to, the more networking I did, the more friends I made - the more.... see a pattern? Please don't take this the wrong way - don't read this as condescending, but the chamber is *What You Put Into It*. If you want the Chamber to help your business, get involved. The Chamber can and is a wonderful asset; you just need to know how to utilize it. If we as a community work together to build the Chamber via membership increase, member involvement, and community involvement, the possibilities are endless.

Lastly I just wanted to say - thanks to all who have served with me over the years. I have had a blast.

**Thank You to those Members
that have already sent in their
2018 Chamber Membership!**
Renewal deadline is January 15, 2018!
