A Note from the
Chamber Board:
John Renaker
Northwoods Roasterie

Summer is officially over. Let fall begin.

Fall is my favorite time of year; I wish it lasted 8 months. The pace slows, the nights are cool, and the days can still be warm. It's a time to get into the woods and explore. The colors become vibrant and the squirrels scurry around putting their stores in order. THERE ARE NO BUGS. And the holiday season is just around the corner.

With cooler temperatures rolling in, saying goodbye to summer and hello to fall is not a hard thing to do. It's a great time to break out the jackets, coats, boots, scarves and hats in preparation for the change in season.

It's also the perfect time to start making hot cocoa, and lighting a fire in the fireplace. This season creates a sense of comfort, warmth and reflection.

It's a great time to go camping, fishing, go on a road trip or anything else where you can spend quality time with family and eat good food.

School has started and that means football and all the rest of the school sports take off. Here's to a great year for

our CL athletic programs. May sportsmanship be prized above the win, although the win is nice too.

Remember, in all the things that take place this fall, to support your local businesses.

Thanks for allowing me to serve on the chamber board.

John Renaker
