A Note from the
Chamber Board:

Katie Malchow

Hello Chisago Lakes Area Chamber members and thank you for such a warm welcome! I am excited to be at your service and look forward to working with all of you.

A little about me... My husband Grizzly and I moved to the area in 2005. We are both born and raised Minnesotan but wanted to find a new corner of the state to call our own. We landed in Lindstrom without much knowledge of the area at all. We loved the lakes and the small town feel and were immediately charmed by the fact that Brinks Market had people to help us with our groceries. We loved that the cashier at Holiday seemed to know everyone's name. We were proud that our town had a parade to rival any we'd ever seen before, and that the people all seemed to be so friendly. Fast forward a few years and we began a family. We have 3 kids ages 12 (almost 13 he'd like me to note), 11, & 9. That's right – close in age. That meant that we needed a strong community more than ever. We found an amazing local daycare, met other parents at the same stage of life and discovered the importance of being surrounded by good people. I found sanctuary in Friday night knitting at Miss Elsie's. We discovered the outdoor retreat of Taylors Falls. Once our kids were in school we discovered a whole new group of friends and were delighted to learn that despite our lack of research, we had landed within an

excellent school district. I jumped in as a member of the PTO board. I volunteered in the classroom. I immersed myself in the lives of my children and in our community. I discovered a love for sales as I embarked on an adventure with Usborne Books & More. Many of you likely have books that you purchased from me at one of our summer festivals or from the school book fairs.

It was through my business as a book lady that I learned of the Chamber Director position. I have had the opportunity to partner with a number of you over the years and when the job became available, I was encouraged by Greg Paine to pursue it. I'm so glad that I did. This position is one that I'm very proud to represent. It's an honor to assist you in your businesses and to support you in the various directions you're headed. Over the next few months, my plan is to meet as many of you as I can. I hope to shake your hands and to learn how the chamber can best support you in your endeavors. Please feel free to stop in to the Chamber anytime. I look forward to meeting you!

FRANCONIA sculpture park

651-257-6668 www.Franconia.org

[Franconia Sculpture Park](#) is a vibrant artist residency and nonprofit sculpture park located in the St. Croix River Valley region of rural Minnesota, 50 miles from Minneapolis/St. Paul. Through the artist residency program, Franconia awards competitive fellowships, internships, and metal-casting residencies to more than 40 emerging and mid-career visual artists each year, supporting the creation and exhibition of new, large-scale sculpture at our 43-acre sculpture park.

We envision a place unlike any other: where artists may get fresh perspectives on their work during informal conversation; where a visitor may learn the context for an artwork directly from its creator; and where there are numerous opportunities for these kinds of spontaneous connections to happen in a welcoming and wide-open environment. The spark of these connections fosters deep engagement in our programs by artists and audiences alike - and adds to the vibrancy and quality of life of surrounding communities. Interactions among artist, artwork, and audience transform into a greater awareness of the world we live in, build an understanding for diverse perspectives, and inspire creativity.

**THANK YOU for a wonderful
Celebrate Chisago Lakes~Winter Blast!**

The weather threw us a curveball this year but we were still able to hold a number of our favorite events. There were a number of shoppers out braving the cold for the Downtown Diva Night. Lots of community members warmed up with pie and potato soup at the puzzle contest. And a good time was had by all at the ever-popular polka dance.

We'd like to thank the community organizations and churches who hosted wonderful activities during the weekend. Thank you to the amazing Winter Blast Committee for all of their hard work: Craig Stockel- New York Life, Doris Zacho and John Pechman - Chisago City Parks, Bill Mack-Mack Landscaping and the Chisago Lakes Rotary, Chris DuBose with the Chisago Lakes Rotary, Bob Zacher with the Lion's Club, Pastor Bill Headley - Maranatha Church Chisago Lakes Campus, Laura Greene and the Center City Fire Department, Kirsten Vaughn with the East Central Regional Library and Rochelle McKenzie -MPOWER Wellness Center.

We would like to offer our sincere gratitude to the generous business sponsors who provide the funds to help make this event a success.
