

## Services for Older Adults

Helping older adults age well at home

**Do you or somebody that you know have difficulty accessing food?**

**Family Pathways' Aging Services and Food Shelf programs are working together to ensure persons 60+ have the food they need to thrive during and after the COVID-19 pandemic!**

To arrange food delivery through Family Pathways' **Door Step Delivery program** please contact us at **320 225 9277**

Family Pathways Aging Services is supported in part by the Federal Older Americans Act via contract with Central MN Council on Aging. This is under an Area Plan approved by the MN Board on Aging and by the MN Department of Human Services. We also appreciate support from local donors, client contributors, and our Family Pathways core mission.

**FOOD EQUITY AND ACCESS | SAFETY | HOUSING STABILITY | SOCIAL CONNECTEDNESS | ECONOMIC SECURITY**
